Dear Mr Perito

The Embassy of the Republic of South Africa wishes to express its appreciation for the 3rd Edition of the initiative "ARTISTIC MIND, Young Women Artists in Comparison" organised by the association, Artisticamente, to be held in Rome in March 2015.

All opportunities given to young people in order to exhibit and express their talent as well as sharing their experiences with other young artists around the world are praiseworthy.

The South African Embassy confirms its moral patronage to the event with pleasure.

We wish every success for the project and take the occasion to send our most cordial regards.
